The Honorable
William J. Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. Casey:

On numerous occasions in past years personnel of the Secret Service have received special demolition and target analysis training from your agency. This training has significantly contributed to our successful defense against the application of explosive devices in fulfilling our protective responsibilities.

I am again requesting that Target Analysis training be made available to this service for four students. With your approval, the dates of training have been coordinated between [redacted] of your office of Technical Services, and Mr. John Flinn of our Technical Security Division. To assist [redacted] I am enclosing the names and biographical data of the four student nominees.

Your approval of this request will be appreciated.

Sincerely,

John R. Simpson
Director
